DEADLINE DATE: 3 September 2021

[] We would like to order asphalt for our entire stand in the outdoor area (please tick box). To asphalt parts of a stand is not possible.

Stand number	Length (m)	Width (m)	Total (m ²)	Price per m ²	Total Price (excl. VAT)
				€ 12.00	

(An invoice for the amount due will be sent to you upon receipt of your order. Please note that VAT will be added if applicable.)

Please take note of the following information:

- Thickness of asphalt, depending on condition of floor surface: approx. 8cm
- On open sides of the stand the asphalt will have a cambered edge and slightly expanded beyond the stand's perimeter. Between neighbouring stands the asphalt will not be bevelled and finishes exactly on the perimeter of the stand.
- Floor ducts will not be covered with asphalt and have to be accessible.
- All technical connections will be laid above the asphalt.
- Orders will be individually assessed for their technical feasibility.
